PRESCRIBER CERTIFICATION AND ATTESTATION STATEMENT

Please read the Prescriber Certification and Attestation Statement on page 4 and provide your signature to certify that you have read, understand, and agree to the terms and conditions.

Patient Authorization Statement

By signing below, I authorize my doctors, pharmacies and other healthcare providers, as well as my health insurance plan, to disclose to Astellas Pharma US, Inc. (“Company”), and its third-party suppliers, vendors, and other service providers supporting PADCEV Support SolutionsSM (collectively, the “Service Providers”) personally identifiable information about me (my “Personally Identifiable Information”) (for example, my name, Social Security number, address, insurance policy number and income) and my medical condition (for example, my diagnosis or medications) so that the Company and the Service Providers may:

- (i) assist me with my enrollment in PADCEV Support Solutions and assess my eligibility for participation in the Copay Assistance Program (“CAP”) and, if eligible, enroll me in the CAP;
- (ii) contact me by phone or mail to request further information;
- (iii) provide me with educational and other materials, information, and support related to PADCEV Support Solutions;
- (iv) verify, investigate, and assist me with obtaining coverage for PADCEV from my health insurance plan;
- (v) assess my eligibility for participation in the patient assistance program, if necessary;
- (vi) refer me to other independent programs or alternative sources that may be available to provide assistance to me as allowed under the law, if necessary; and
- (vii) help analyze the efficiencies and performance of the services provided by Service Providers.

I specifically authorize Company and the Service Providers to use and disclose my Personally Identifiable Information of the purposes described above. If I am deemed eligible and enrolled in the CAP, I certify that I have private commercial insurance and I am not insured by any federal or state health care program, including but not limited to, Medicare, Medicaid, TRICARE, or Veterans Affairs. I agree to immediately notify PADCEV Support Solutions if there is a change in the status of my insurance coverage.

If an application is submitted to determine my eligibility under the PADCEV Patient Assistance Program (PAP) I also authorize Company and Service Providers to use my Personally Identifiable Information including, but not limited to, my Social Security number, date of birth, name, and/or address as needed to access my credit information and information derived from public and other sources, including information from a consumer reporting agency (credit bureau), to estimate my income in conjunction with the eligibility determination process performed to determine my eligibility under the PAP. I understand that completing this enrollment form does not guarantee that I will qualify for the PADCEV PAP.

In some instances the Service Providers may de-identify my Personally Identifiable Information and use or disclose the de-identified information (in individual or aggregated form) for legitimate business purposes. I understand that the Company and the Service Providers will make reasonable efforts to keep my Personally Identifiable Information private; however, I understand that once information has been disclosed to the Service Providers, it may no longer be protected under federal privacy law and could be disclosed to others.

This authorization will last for three (3) years from the date on which I agree to this authorization (or such shorter period as applicable state law may require). My choice as to whether to sign this authorization will not change the way my doctors, healthcare providers, or payers treat me, but if I decline to sign it, I will not be able to have my insurance coverage verified, have alternate sources of assistance researched, or access other support provided by or on behalf of PADCEV Support Solutions.

I understand that I may revoke this authorization at any time by providing written notice to PADCEV Support Solutions at 200 Park Avenue, Suite 300, Florham Park, NJ 07932. Cancellation of this authorization will be valid when received by the administrators of PADCEV Support Solutions. I understand that a cancellation is not effective to the extent that any person or entity has already acted in reliance on my authorization.

I understand that I am entitled to receive a copy of this authorization after I have provided my signature.

My signature below certifies that I have read, understand, and agree to the Patient Authorization Statement.

I certify that I have received the necessary authorization to release the above-referenced information and other protected health information (as defined by the Health Insurance Portability and Accountability Act (HIPAA) of 1996) to Astellas and its third-party suppliers, vendors, and other service providers supporting PADCEV Support Solutions (collectively, the “Service Providers”) for the purpose of providing access and reimbursement support and the evaluation of the patient’s eligibility for support. I understand that completing this enrollment form does not guarantee that assistance will be provided to my patient.

I agree to notify the Service Providers if I become aware at any time in the future of changes in my patient’s circumstances that would affect his or her eligibility, including but not limited to changes in health insurance status or coverage, financial status, United States residency status, or the indication for which PADCEV has been prescribed for this patient.
